

Title: 11th GLMTV meeting co-host by ALLIANCE, CCIVS< ICYE, NAVO, NVDA and SCI

No. of Participants: 82 participants from 63 NGOs, 43 countries registered

Applied tools and app using in meeting: ZOOM, Jamboards

Overall goal of the session 1 is to share the good practises, challenges and ideas for the common actions to improve the quality of LMTV project/exchange to have the new development after COVID-19 age

There is group discussion in session 1 and break out with five sessions as follow:

1. Successful Volunteers management
2. Capacity Building for Organizations + Volunteers
3. Networking Opportunities for both Organizations + Volunteers
4. Promotion to get more volunteers
5. How to measure/maximise the positive impact on communities/ Vols/ SDGs

Overall goal of the session: discuss ideas and good practises on how to build the resilience of organizations during COVID-19 and the implications for the future of the LMTV movement. The discussion group is split into breakout rooms and moved from one topic to another by a group like world cafe method. After the break, there is session 2.

The topics on jamboard to be discussed are as follow:

- A. Lessons learnt/ good practices to address crises like COVID 19.
- B. Ideas to build resilience and maintain volunteering activities during global crisis situations in the future.
- C. Advocacy demands to support LMTV in the face of COVID 19 and afterwards.
- D. What has to change – regarding health standards, communication with volunteers, with communities, etc?
- E. Economic sustainability/ financing of projects, organisations and volunteering activities in times of crises (creating resilient-sustainable income, critically approaching expenses)
